Heart to Heart...

By Robert Miller

The Psalmist declared, "I have hidden your word in my heart that I might not sin against you." (Psalm 119:11) God's word is powerful! Some time ago I asked our members to help me with an upcoming sermon series, "Power Verses for Power Living." I asked for Scripture verses that had gotten them through a difficult time or a life verse that helped keep them focused on God instead of the trials and tribulations of this world. I received over 100 verses. All of them with great messages! It was tough selecting the verses to use in this series. A lot of our members submitted the same verse. I used all of the Bible verses that came in multiple times, and in selecting the others, I spent time in prayer and fasting before finalizing the list.

This life impacting series begins Sunday! During these sermons, you will be hearing them expounded, applied, and hopefully, you will memorize these power Bible verses to help you in your walk with God. God desires us to live victorious lives, and that is only possible when we live according to His word.

See you this Sunday! Remember God loves you, and so do I!
