A message from John Talley

Sing for Joy! The stone's been rolled away! It's Easter! Those are the first words we will sing Sunday as we celebrate the Risen Savior!

Joy is one of the "markers" that separates followers of Christ from non-believers. One of my favorite descriptions of joy is that it comes from within, as opposed to happiness that is externally motivated. When things are going well, we can be happy. However, we can trust in God and know that He is our foundation and source of strength, no matter our circumstances. That is true joy! Stress can enter when we have external pressures... floods (Harvey), financial challenges, unfulfilling jobs, friends and family problems, etc. But joy can give the consistency to help us overcome the stress of those and other daily challenges.

As the great gun debate and march for life take place, maybe we should introduce a bill that requires gun owners to have joy? What if every social media outlet promoted joy rather than the dominant criticism? What if our politicians chose joy as their foundation when entering debates to change and "improve" policies? Our country was founded on Christian principles and religious freedom. When we accepted Christ as our Savior and began those first steps in our Christian faith, we had newfound joy! Over the years has our joy grown as we've walked with Christ?

Create in me a clean heart, O God, and renew a right spirit within me. Cast me not away from Your presence, and take not Your Holy Spirit from me. Restore to me the joy of Your salvation, and uphold me with a willing spirit. Psalm 51:1-12

But the angel said to the woman, "Do not be afraid, for I know that you seek Jesus who was crucified. He is not here, for He has risen, as He said. Come, see the place where He lay. Then go quickly and tell His disciples that He has risen from the dead..." Matthew 28:5-7A

Sing for Joy! It's Easter! He's alive! The stone's been rolled away!
