A message from Robert Miller

MOVING TO THE MALL

On Sunday, March 18, 2018, the members of First Baptist Church voted unanimously to accept an offer of 3.25 million on the front 9 acres of our Mainland property. So, we are moving to the mall this summer, probably in July.

The Mall property will not be built out when we move in. We have received permission from the City and our contractor to meet on Sundays while we are repurposing the building into a church. We plan to build out a pre-school/children's area, a worship center, and a kitchen. The money for this build-out will come from the proceeds of the sale which unfortunately will not be enough to finish those projects and so we will borrow the rest from our bank. The other projects and build-out will be paid for by special offerings. There are three projects that we would like to begin with first.

First, the large cross that will be placed on our entrance has already been paid for and the money given to put it up on the building. That should be happening in the near future.

Second, we are getting bids for putting signs with our Church's name and website up on the building and smaller crosses to fit in our archways. You will have the opportunity to give toward this in a couple of weeks.

Third, we are working on a water feature where we will be baptizing. It will be in the center of the building and will be the first thing seen as you walk in any of the three entrances. We are having a pool company work on a design now. There will be dressing rooms behind the baptismal pool, and it will have an infinity edge flowing down out of the pool. Also, we hope to build a bench around the pool, so folks can have a meditative place to come during the week to pray, meditate and read Scripture. This area will be built in memory of Pastor Grayson Glass. Grayson was passionate about evangelism and prayer. We hope to have the cost of this project available in a couple of months.

I am excited about the opportunities moving our church to the mall will bring. We are going to the marketplace just as Jesus did when He walked on this earth.
