### SUMMER STUDENT MINISTRY INTERNS IMPACT!

How quickly time flies as we are having fun in the Kingdom. FBCTC has been a great encourager to youth and those who minister to them. Over the past twenty plus years FBCTC has been host to over 40 young men and women who have served God and the FBCTC community through the busy summer with the title "Student Ministry Intern." These fine students have made lasting relationships here @ FBCTC and have gone on to lead others in various churches, serve God in foreign countries, serve God in their local communities, and raise Christian families. FBCTC has been a big part of their "growing in ministry" experience as they have made an impact here and then on to impact the world. Some came from other churches to serve, and some have grown up right here at FBCTC, but most all of them have gone on to serve in the Kingdom of God in great ways.

This summer we are proud to have two of our own to have served with us. Parker Johns and Shelby Jackson have made great strides in serving FBCTC and our students this summer. Their time and attention has been unbelievable. They finish their 2018 term as Summer Intern this week, but they continue to foster kingdom minded relationships through FBCTC as they go. Shelby will be departing for Branson, MO, to study for the next eight months at the Kanakuk Bible Institute as she prepares for the next steps in her career. Parker will be heading back to Sam Houston State University to continue studies in Advertising and Marketing. You'll see them again at breaks and holidays because they are "ours." If you see them, (or even if you don't) thank them for their impact and a job well done!
