A Message from Meschel Hara

TECHNOLOGY AND JESUS AT FBCTC

I think most of us probably have a love/hate relationship with technology. We love it when it's working the way we want it to and then hate it of course when it's not cooperating the way we think it should.

Here at FBCTC, we have invested in technology to help you invest in your relationship with Jesus. I'd like to highlight all of the different ways you can use the technology we provide for our church family.

Our website, fbctc.com, is a great tool that you can use to watch sermons that you missed, find a small group, check the church calendar, plug into a ministry, tithe and so much more!

Simple Church is our Membership Management database. You can tithe from your phone using the app, see the names of people in your Sunday School class and their pictures (if they've uploaded their picture!), print your end-of year giving statement and update your personal contact information. You can access Simple Church through either the app or through a browser. Download the app in your app store on your phone; or through a browser, find the link on our website by going to menu, media and resources, then membership management. To set up your account, click on "don't have an account." Our domain name is fbctc.

Our church also pays for a subscription to Right Now Media for you. You can watch Christian movies and Bible Studies with the Right Now Media app or through a browser on your computer. You can access this subscription at www.rightnowmedia.org/account/invite/fbctexcascity.

Did you know that in addition to giving through the offering plate that is passed each Sunday, you can also give using the kiosks located in our church foyers, through the Simple Church app or there is a link to give on our church website as well. Sunday mornings can be hectic so these options are here to make it easier for you to be obedient in your giving.

Livestream is another great tool. It makes it possible for you to watch full worship services from home when you aren't feeling well or when your schedule is busy during our normal worship time or you just may want to hear something again. If you are serving in Children's Ministry, it makes it possible for you to stay in touch with the Pastor's Sermon Series.

Last but not least there is Facebook. You may not think of Facebook as a way to stay connected to Jesus but I disagree. Facebook is a great opportunity for you to share scriptures with your friends as well as invite them to church. Be sure you have "liked" our church's facebook page so you see our posts. You can find the church's facebook page at www.facebook.com/firstbaptistchurchtexascity.

If you need help to access our technology, feel free to contact me at mhara@fbctc.com or the church office.
