## A Message from John Talley

Chris Tomlin was born in East Texas in 1972. He learned to play the guitar his dad gave him by listening to and playing along with Willie Nelson records! During high school he learned to lead worship in his youth group at church. After graduating from Tyler Junior College and Texas A&M, along with his involvement in Breakaway College Ministry, he eventually joined with Louie Giglio in forming Passion Conferences. He has sold over seven million records and won numerous Dove and Grammy Awards. He has been a major influence in the songs churches sing today. Time Magazine stated that he may be the "most often sung artist anywhere." Wikipedia

*Now, more than two decades after getting involved with Passion, Chris continues to bring us into God's presence through his music.*

"It's the gift that God's given me ... it's definitely God's favor on the songs," Chris says in regards to the impact his music has on people. "There's no marketing plan that can do what only God can do and put the songs in people's hearts. The beautiful thing of it is - the kind of songs I write aren't about the artist. A lot of these songs, hopefully, become the people's songs. Hopefully they become the soundtrack for their lives and their worship to God. That's why I write them." Chris Tomlin on K-Love Radio

This Sunday will be Chris Tomlin Day @ FBCTC! No, he won't be here but every song we sing will have been written, co-written and/or sung by him. I know you will enjoy, and more importantly, worship through the music of Chris Tomlin this Sunday!
